

## CALL FOR PROJECTS 2018

### NORA ARTIST-IN-RESIDENCE PROGRAM FOR REFUGEES EXILED IN FRANCE

With the support of the French Ministry of culture, the ACCR has been coordinating, the NORA artist-in-residence program for refugees exiled in France. The program is aiming at artists, researchers and culture professionals from countries in war, who have recently received a refugee status in France. The goal is to develop projects within French Heritage Site Centers for Arts and Creation (*Centres culturels de rencontre*), with the support of their team, and consequently getting a practical knowledge of French cultural, artistic and intellectual networks and building long-term connections and partnerships.

Initiated in 2016, NORA program has permitted to host in French Cultural centers for several months eleven artists from Middle-East. Taking part in NORA program helped them to connect with various professional structures working with poetry and visual arts. Some of them managed to publish their first book, others were able to continue to create, make exhibitions, animated films.

### The 2018 call for projects is open.
